

YMCA

Outside School Hours Care

Y children love being
with us!

YMCA Darling Heights OSHC is a place where children are valued. There is always something **interesting and exciting** to do.

You'll discover a range of age appropriate activities which encourage children to interact with friends, **learn life skills, problem solve** and be **challenged** by new experiences in an environment that is safe, fun and relaxed.

We escort preps and young children to and from their classrooms and other activities including sports, music and drama. Children are provided with a **nutritious breakfast and afternoon tea**. We also offer care during school holidays and on pupil free days through our **Holiday Club**. Morning tea is also served during our Holiday Club,

Parents / Care Givers may be eligible for **financial assistance** towards child care fees through the Australian Governments' Child Care Subsidy Scheme. Some families pay as little as \$3.85 for before school, \$4.81 for After School Care and \$10.54 for Vacation Care.

Attendance at YMCA Darling Heights OSHC can be on a casual, part time, regular or emergency basis.

Call 4635 6308 to arrange a personalised tour where you can meet our team and more importantly we can get to know you and your team!

YMCA Darling Heights Outside School Hours Care

VACATION CARE — HOLIDAY CLUB

To compliment Before and After School Care programs, we kick off our Holiday Club during school holidays. There is always **exciting activities**, **fantastic excursions** into the wider community and entertaining visitors who are sure to 'wow' children with their skills and talents.

YMCA Darling Heights OSHC team members organise a wide range of activities that develop each child's **social, emotional, physical** and **creative** potential. Activities are presented in a fun and interesting way to encourage fair play and turn-taking.

We organise **stimulating and interactive** incursions based on a variety of interests and educational experiences. These can include for example, a visit from Professor JellyBean who will have children blowing **huge slimy bubbles** and creating **coloured blobs** that seem to **magically** bounce up and down.

Additionally, our team prepare excursions so children can **experience** aspects of the wider community. An excursion could involve going to the **movies** or a trip to Picnic Point where children can experience an **adventure hike** with BBQ lunch afterwards.

Program plans and activities are designed to ensure **all children** can participate in a **positive** and **meaningful** way including children with additional support needs or disabilities.

**Convenient
access to
public
transport**
